

the Network to Freedom to exist in perpetuity. It is time to take a stand for the future of our national parks and American history.

I urge my colleagues to support this bill and preserve a vital asset to the history of our Nation, the Underground Railroad.

Mr. HASTINGS of Florida. Mr. Speaker, I rise today in strong support of H.R. 1239, the National Underground Railroad Network to Freedom Reauthorization Act. I introduced this legislation in February with my good friend Representative Castle of Delaware as one contribution to the celebration of Black History Month.

The widespread bi-partisan support this legislation has received with 67 cosponsors and endorsement by the National Parks Conservation Association has demonstrated that Black history is synonymous with American history as a life experience shared by all citizens of America.

I would like to thank Chairman RAHALL and Ranking Member YOUNG of the Natural Resources Committee for bringing this important legislation to the floor. I would also like to thank Subcommittee Chairman GRIJALVA and Representative ROB BISHOP for their support and minor adjustments to this legislation to meet the needs of the National Park Service administration. With passage of this legislation, I hope that the National Park Service will give the National Underground Railroad Network to Freedom its due priority with adequate staffing to maintain the growing network.

Mr. Speaker, when I joined my esteemed former colleague Representative Louis Stokes in 1998 to establish the National Underground Railroad Network to Freedom, I do not think we could have foreseen the emergence of the National Park Service as one of the largest stewards of black history in the United States. Nor could we have predicted the rapidly expanding support and interest for one of the most intriguing multicultural collaborations in the history of our Nation.

In this polarized historical moment of American politics, remembering the Underground Railroad as a unifying narrative in our history could not be timelier. The sacrifice at the risk of death made by conductors and travelers of the Underground Railroad was an unprecedented contribution to the abolition of slavery. The contributors to this network included the members of the Society of Religious Friends, commonly referred to as the Quakers, as well as other concerned individuals. Thus, the Underground Railroad was one of the first synergistic partnerships that fostered the development of the thriving multicultural society that is the United States of America.

Mr. Speaker, the Network to Freedom is a key feature that diversifies engagement in interpretive opportunities of our national park system. It has grown to 300 programs, sites, and partners in 28 states and the District of Columbia. This network is a national treasure of historic buildings, routes, programs, projects, and museums with thematic connections to the Underground Railroad.

The legislation before us today appropriately adjusts authorization levels for the Network to Freedom to reflect the growth of interest nationally and the resulting expansion of opportunities. As a part of a concerted movement to overcome the funding challenges that threaten all national parks, this legislation moderately

expands the operating funds of Network to Freedom to an authorization for appropriations up to \$2 million and establishes appropriate oversight for grant funds. These adjustments will help to resolve the financial challenges facing the Network to Freedom that include the lack of consistent development grants and administrative support for affiliates.

Mr. Speaker, this bill will protect the interpretive interests of our National Park System by providing the necessary support staff and oversight for the Network to Freedom to exist in perpetuity. It is time to take a stand for the future of our National Parks and American history.

I urge my colleagues to support this bill and join me in preserving a vital asset to the history of our Nation: the Underground Railroad.

Mr. GRIJALVA. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Arizona (Mr. GRIJALVA) that the House suspend the rules and pass the bill, H.R. 1239, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The title was amended so as to read: "A bill to amend the National Underground Railroad Network to Freedom Act of 1998 to authorize additional funding to carry out the Act, and for other purposes."

A motion to reconsider was laid on the table.

COMMUNICATION FROM THE HON. MARK UDALL, MEMBER OF CONGRESS

The SPEAKER pro tempore laid before the House the following communication from the Hon. MARK UDALL, Member of Congress:

OVERSEAS PRIVATE INVESTMENT CORPORATION REAUTHORIZATION ACT OF 2007

Mr. SHERMAN. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 2798) to reauthorize the programs of the Overseas Private Investment Corporation, and for other purposes, as amended.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 2798

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Overseas Private Investment Corporation Reauthorization Act of 2007".

SEC. 2. FINDINGS.

The Congress finds the following:

(1) Since its founding in 1971, the Overseas Private Investment Corporation (in this section referred to as "OPIC") has helped to mobilize and facilitate private capital by United States investors in developing and emerging market countries in support of United States foreign policy and development goals.

(2) OPIC assistance should not, in any way, support projects in countries that reject their obligations to support international peace, security, and basic human rights.

(3) OPIC assistance should not be provided to those who support enemies of the United States.

(4) OPIC assistance is a privilege and should be granted to persons that, along with their affiliated companies, demonstrate responsible and sustainable business practices, particularly with regard to the environment, international worker rights, and efforts against genocide and nuclear proliferation. Denial of OPIC assistance is not a penalty or sanction.

(5) Over OPIC's 35-year history, OPIC has supported \$177,000,000,000 in operating investments in more than 150 developing countries, helping to create more than 800,000 jobs and some \$13,000,000,000 in host-government revenues.

(6) OPIC projects have generated \$71,000,000,000 in United States exports and supported more than 271,000 United States jobs.

(7) Projects assisted by OPIC in fiscal year 2006 are projected to generate \$1,000,000,000 in United States exports, support more than 2,700 United States jobs, and have a positive impact on the United States balance of payments.

(8) In fiscal year 2006, 87 percent of all OPIC-supported projects supported small-and-medium-sized businesses in the United States.

(9) In an era of limited Federal budgetary resources, OPIC has consistently demonstrated an ability to operate on a self-sustaining basis to support United States companies, all at a net cost of zero to the United States taxpayer.

(10) OPIC has reserves totaling approximately \$5,300,000,000 and will make an estimated net budget contribution to the international affairs account of \$159,000,000 in fiscal year 2008.

SEC. 3. REAUTHORIZATION OF OPIC PROGRAMS.

Section 235(a)(2) of the Foreign Assistance Act of 1961 (22 U.S.C. 2195(a)(2)) is amended by striking "September 30, 2007" and inserting "September 30, 2011".

SEC. 4. PREFERENTIAL CONSIDERATION OF CERTAIN INVESTMENT PROJECTS.

Section 231(f) of the Foreign Assistance Act of 1961 (22 U.S.C. 2191(f)) is amended to read as follows:

"(f) to give preferential consideration to investment projects in less developed countries the governments of which are receptive to private enterprise, domestic and foreign, and to projects in countries the governments of which are willing and able to maintain conditions that enable private enterprise to make its full contribution to the development process;"
